

Herewith please find the agenda for the planned 2007 get-together. In putting this document together we have tried to present a sort-of road map with the idea that many of the discussions will originate from the floor. At the same time we have been most fortunate in getting the participation of past and present leaders of the Indian Health Programs. We hope that each one of you can make the trip and share in the renewal of old friendships and experiences.

A word about the meeting place:

We are planning to have the meeting in The Ramada Express, Hotel & Casino, Laughlin, Nevada. It is one of the nicer hotels in Laughlin. They are offering us a group rate of \$24 per night (plus tax) for a double room. The meeting will be held in the Santa Fe room. We hope to have a hospitality room the afternoon of the 17th.

Reservations can be made by calling (800) 243-6846, control code 11976. Reservations should be as soon as possible and by March 15 for these rates.

SEE YOU IN LAUGHLIN!
