

SPECIAL NOTICE TO INDIAN HEALTH SERVICE RETIRED ENGINEERS AND ENVIRONMENTAL HEALTH OFFICERS

A group of retired PHS Officers who served in the IHS Environmental Health programs is planning a reunion to be held in Laughlin, Nevada in April, 2007. The planned meeting dates are the 17th through the 19th. Travel would be on Tuesday the 17th; Wednesday the 18th would be spent mostly getting re-acquainted and visiting, with a banquet in the evening. Possible guest speakers at the banquet include the PHS Chief Engineer, Chief Sanitarian (Environmental Health Officer) and the Executive Director of the COA.

If this meeting is of interest to you please let us know before January 15, 2007 by E-Mail if possible or by phone. Just a simple yes or no will suffice to know of your interest.

It is our intent to contact as many people as possible; we would appreciate your help in terms of letting people know about the meeting who we may not be able to find or contact.
